+**ACE** - General Education courses listed as ACE have been evaluated and recommended for college credit by the American Council on Education's College Credit Recommendation Service. The ACE Transcript Service offers a lifelong record for students who have successfully completed these courses. The service enables students to present a nationally recognized transcript to the college or university of their choice for the potential award of academic credit. A \$50 fee is applied to ACE course costs.

^**Embedded Materials** - Courses include all required texts and other course materials with the online syllabus. A \$50 fee is applied to courses, but there are no additional costs for textbooks.
