ST. LOUIS CHRISTIAN COLLEGE SAFETY & SECURITY INFORMATION

Mission Statement

St. Louis Christian College prepares biblical servant leaders for urban, suburban, rural, and global ministry.

It is the mission of the Office of Campus Security to complement and support the advancement of the educational purposes of the college by providing a safe and secure environment for learning, working, and personal development.

At St. Louis Christian College, the safety and well-being of our students, guests, faculty, and staff are always a priority. However, a truly safe campus can only be achieved through the cooperation of everyone.

Campus safety and security are important issues at the St. Louis Christian College. Our goal is to provide students with a safe environment in which to learn and to keep students, parents, and employees well informed about campus security. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or Clery Act, requires institutions of higher education to provide students and families with the information they need to make informed decisions. The following policies and procedures are established to comply with the Clery Act.

A. Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the Head of Security or Administration constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. Administrators will immediately notify SLCC community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring at SLCC, unless issuing a notification will compromise efforts to contain, respond to, or mitigate the emergency. The warning will be issued through the most effective and efficient means available and may include instant messaging to students and College employees. Notices may also be posted in the common areas throughout SLCC. Anyone with information warranting a timely warning should report the circumstances to the Security Department by phone at 314-527-9396, or in person at SLCC. Campus emergencies are also to be reported by phone to the Residence Director and to selected office personnel who inform the students and employees of the action required.

Emergency Notification. In the event of a campus emergency, the College will notify all subscribers to its text messaging notification system. To subscribe, students can text **@slccsafety** to the phone number **81010**. Staff can text **@slccstaff** to the phone number **81010**. All day students are expected to sign up for the messaging system.

Timely Warnings. Any Clery Act crime that occurs on Clery Geography (see below) and is reported to Campus Security Authorities (CSA) or local police and is considered by the institution to represent a serious or continuing threat to students and employees will be alerted to the campus community through a timely warning as soon as information is available.

B. Reporting the Annual Disclosure of Crime Statistics

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) and the Department of Education require that all institutions that receive Title IV, HEA funds must, by October 1 of each year, publish and distribute to its current students and employees, a comprehensive Annual Security Report (ASR) that contains all the statistical and policy elements enumerated in the law. These regulations also require institutions to provide a notice containing this information to all prospective students and employees. For 2020, the deadline was extended by the Department of Education to December 31.

The ASR contains statistics for the previous three years of reported crimes that occurred on property owned or controlled by SLCC and on public property immediately adjacent to and accessible from the campus. The report also includes College policies and procedures concerning campus safety and security.

The College does not have any student residential or other facilities that are located on public property or places other than the main campus.

This 2020 Annual Security Report was prepared by the Vice President of Student Life in accordance with the reporting protocol of the Clery Act. This publication reports statistics from calendar years 2017-19. Statistical data for the report was made available by the campus security department in conjunction with the Florissant Police Department. Resident Directors and the Chairman of the Discipline and Appeals Committee, who have security-related responsibilities and thus are considered Campus Security Authorities (CSA) for Clery reporting purposes, have also provided statistics, if any, for the report. The ASR was prepared by the College according to guidelines established by the U.S. Department of Education.

Availability of the Annual Security Report (ASR). The Annual Security Report is available to prospective students, current students, and employees at the SLCC website: <https://stlchristian.edu/student-life/student-services>. The link provided under the Annual Reporting heading connects to a pdf. of the report. Paper copies are also available in the Security Office (located in the music building), in the Office of the Vice President of Student Life (located in the Keystone building), and in the Admissions Office. All students and SLCC personnel routinely receive a written notice of the availability of the online address for the report, with a brief description of its contents. According to school policy, all incoming students, as well as prospective employees, are provided with the same written notice.

C. Reporting of Criminal Offenses

All students, faculty, and staff are encouraged to accurately and promptly report any crime, criminal activity, or emergency to the Security Department at **314-527-9396** or to the Office of the Vice President of Student Life. These reports are for the purpose of making both timely warning reports and the annual statistical disclosure.

Emergency “blue light” call boxes are located at the front entrance to the men’s dorm, at the entrance to Presidents Hall, at the parking lot entrance to the gymnasium, and on the driveway to the student apartments. The call boxes are connected by phone lines to the SLCC Security Office. The responding security officer will determine what action is to be taken, and will act appropriately.

Calling **9-1-1** will access the National Emergency Number Association call taker. If calling from a cell phone, be sure to know the exact location and nature of the crime or emergency you are reporting. To call the Florissant Police Department directly, the number is **314-831-7000**. The direct number of the Florissant Valley Fire Protection District is **314-837-4894**. The Poison Control Center is **1-800-222-1222**. **You should always dial 9-1-1 for emergency situations.**

All reports of crime or criminal activity are recorded in the crime log by the security officer taking the report. The officer investigates the report and records the complaint, nature, date, time, general location, details, disposition of complaint and action taken in a formal, signed incident report. Copies of the incident reports are kept on file for three years in the Office of the Vice President of Student Life. Crimes will be recorded in the crime log within two business days, unless the disclosure is prohibited by law or would jeopardize the confidentiality of the victim or if there is clear and convincing evidence that releasing information would jeopardize an ongoing criminal investigation or the safety of others, cause the suspect to flee or evade detection, or result in the destruction of evidence. After any adverse effect is no longer likely to occur, the school will disclose said withheld information. A log of the most recent 60-day period is available by request from the Office of the Vice President of Student Life during regular college business hours. Logs older than 60 days are available within two business days of a request.

Staff acting as pastoral or professional counselors who receive reports of crime or criminal activity should inform the person(s) they are counseling of the need to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics and are not themselves required to report.

D. Confidential Reporting

The College encourages anyone who is the victim or witness to any crime to report the incident as soon as possible. All reports will be investigated and included in the crime statistics if warranted. Violations of the law can be referred to the Florissant Police Department. When a potentially dangerous threat to the College community arises, timely reports or warnings will be issued through appropriate means.

E. Access Policy

During business hours, the College will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all College facilities is by key and security code, if issued, or by admittance via the Security Office or staff. Emergencies may necessitate changes or alterations to any posted schedules.

Residence hall entrances are locked at all times. Each dorm has a separate code for the main entrance. Other doors to the dorms are alarmed. Students are instructed to lock their doors when gone from the room. Students are notified that they are responsible for all personal belongings. The College has no liability to replace stolen personal possessions. If a student suspects that a theft has occurred, the student is to contact the Security Office and the Office of the Vice President of Student Life.

F. Campus Security Authority and Jurisdiction

The SLCC Security Department is currently administered by the Vice President of Finance and Business Administration, and operates for the safety and security of the students, employees, and campus visitors. Security officers must be at least 21 years of age and are licensed by the St. Louis County Police Department as private security officers with additional training in the use

of handcuffs and chemical spray. Security officers also are certified in the use of CPR and AED by the American Heart Association.

The SLCC security officers are authorized by the Board of Trustees and by the St. Louis County Police Department to enforce all college rules, regulations and policies as well as enforce state and local laws on all property owned or leased by the college. Security officers have the authority to detain and to make arrest for violations of law until the arrival of a police officer. The College maintains a healthy working relationship with state and local law enforcement agencies.

G. Security Awareness Programs

The Security Office and the Office of the Vice President of Student Life offer safety and crime prevention informational seminars during the academic year. These informal seminars cover topics such as winter safety, proper use of fire extinguishers, and how to respond to active shooters. An informational seminar on sexual assault, domestic violence, dating violence, and stalking (the Violence Against Women Act, or “VAWA,” crimes) is provided each semester and required for all new day students. Employees are informed annually at a staff meeting about reporting VAWA and Title IX crimes.

H. Criminal Activity Off Campus

St. Louis Christian College does not provide law enforcement services to off-campus activities on behalf of SLCC.

I. Emergency Response Preparation and Evacuation

The SLCC Emergency Response and Recovery Plan can also be accessed on the SLCC website at <https://stlchristian.edu/student-life/student-services>. The paragraph heading “Emergency Response” contains the direct link to the Response and Recovery Plan pdf. Print copies are also available in the Security Office and in the Office of the Vice President of Student Life. Copies are distributed to all students and employees along with the ASR in the fall and to new students/employees in the spring term.

J. Alcohol and Substance Abuse Education

In keeping with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and communities Act Amendments of 1989, no use of alcohol or any controlled or unlawful substance is allowed on the campus of St. Louis Christian College at any time. To manufacture, distribute, dispense, possess, or use a controlled substance unlawfully or to possess, use, or sell alcohol on any campus property or at any college-sponsored event is grounds for disciplinary action. Excessive alcohol consumption or use of illicit substances impairs the user’s ability to function, changes the user’s behavior, and subjects the user to serious health risks, including disease, addiction and death.

Federal law dictates that conviction or possession of illegal drugs may be punishable by 1 to 3 years imprisonment and a minimum fine of \$1,000 unless the offense involves cocaine base (crack), which may carry mandatory imprisonment for up to 5 to 20 years. In the state of Missouri, conviction for possession of illegal drugs has a maximum penalty of seven years imprisonment and a maximum fine of \$5,000. If the offense is marijuana possession of less than 35 grams, it is punishable by up to a year in jail and a fine of \$1,000. Section 195.214 RSMo makes it a Class A felony to distribute or deliver controlled substances on or near (within 2,000 feet) school property. Persons convicted of this offense can be sentenced to imprisonment for

not less than 10 years. This term shall be served without probation or parole if the court finds the defendant is a persistent drug offender. In Missouri, possession, purchasing, or attempting to purchase any intoxicating liquid while under the age of 21 is a misdemeanor with up to \$1,000 in fines and up to 1 year in jail.

The College's drug and alcohol policy is distributed in the fall, and given to new staff or students in the spring. Every semester as a part of registration, students sign a covenant to say they will not use alcohol or drugs on or off campus. This is for all students regardless of their age.

Confidential information regarding drug and alcohol counseling and rehabilitation is available through the Office of the Vice President of Student Life. SLCC is committed to the safety and well-being of all members of the college community. It is expected that all students comply with these regulations as a condition of remaining in school. If a student violates this policy, he or she may be subject to immediate disciplinary action, up to and including suspension. In addition, the student may be reported to the appropriate civil officials for prosecution under state or national laws, which may include fines and/or imprisonment. The Office of the Vice President of Student Life offers educational information to assist students, faculty and staff in understanding the risks of using alcohol and unlawful substances.

A violation of any law regarding drugs or alcohol is also a violation of SLCC's Drug Free School Policy and will be treated as a separate disciplinary matter by SLCC.

Local mental health and substance abuse services are available at:

Additional information about drug and alcohol abuse, health risks, addiction and prevention can be accessed at the National College on Alcohol Abuse and Alcoholism

(www.collegedrinkingprevention.gov) as well as the National College on Drug Abuse (www.drugabuse.gov/DrugPages/DrugsofAbuse.html).

St. Louis Christian College has a No-tobacco policy that applies to all its campus facilities. The use of tobacco in any form is prohibited. Every semester at registration students sign a covenant not to use tobacco on campus. The Office of the Vice President of Student Life offers educational information and programs to assist students, faculty and staff in understanding the risks of tobacco use and assistance in quitting.

K. Sexual Misconduct Policies & Procedures

St. Louis Christian College is committed to providing a working and educational environment for all students, faculty and staff that is free from sex discrimination, including sexual harassment, dating violence, domestic violence, sexual assault, and stalking. Every member of the SLCC community should be aware that the College is strongly opposed to sexual misconduct, and that such behavior is prohibited by state and federal laws.

The College's Sexual Misconduct Policy is part of the College's Title IX Sexual Misconduct Policy and may be found at <https://stlchristian.edu/student-life/student-services/#TitleIX>. It describes the College's programs to prevent sexual misconduct, and the procedures that SLCC will follow once an incident of sexual misconduct has been reported. This Policy is disseminated widely to the SLCC community through publications, the College website, new employee orientations, student orientations, and other appropriate channels of communication. Copies of the Policy can be obtained from the Office of the Vice President of Student Life, by calling the Office of the Vice President of Student Life (314-837-6777, extension 1125), calling the Security Office (314-527-9396), or downloading from the College's website at <https://stlchristian.edu/student-life/student-services>.

The College's Sexual Misconduct Policy governs sexual misconduct involving any location, event, or circumstances over which the College exercises substantial control over both the respondent and the context in which the sexual harassment occurs, as well as includes any building owned or controlled by a student organization that is officially recognized by the College. This Policy applies to all students, employees, and third parties conducting business with the College, regardless of the person's gender, age, race, nationality, class status, ability, religion or other protected status. The College encourages victims of sexual violence to talk to somebody about what happened – so victims can get the support they need, and so the College can respond appropriately. As further described in the Policy, SLCC will seek to respect a victim's request for confidentiality to the extent possible, while remaining ever mindful of the victim's well-being.

The College provides training to key staff members to enable SLCC to handle any allegations of sexual misconduct promptly and effectively. The College will respond quickly to all reports of sexual harassment, and will take appropriate action to prevent, to correct, and if necessary, to discipline behavior that violates this policy. To raise awareness and prevent incidences of sexual harassment, dating violence, domestic violence, sexual assault, and stalking, all new students and new employees are required to attend a "Boundaries" educational training that covers healthy boundaries in relationships. The Boundaries Training defines crimes such as dating violence, domestic violence, sexual assault, and stalking, states that the institution prohibits such crimes, provides a definition of "consent" in reference to sexual activity, describes

safe and positive options for bystander intervention, and provides information on risk reduction. Returning students are also encouraged to attend as the program training helps them to identify unhealthy relationships and gives advice on how they can intervene on the behalf of another.

More information on policies regarding sexual misconduct may be found through the SLCC Title IX Coordinator. The Title IX Coordinator for SLCC is the Vice President of Student Life, Steve Naglak. He may be reached by phone (314-837-6777 ext. 1125), email (snaglak@stlchristian.edu), or during business offices in Office 107 in the Keystone building. Reports of sexual harassment should be directed to the Title IX Coordinator.

The College's Title IX Sexual Misconduct Policy (<https://stlchristian.edu/student-life/student-services/#TitleIX>) contains detailed information regarding procedures victims should follow if a crime of sexual harassment, dating violence, domestic violence, sexual assault, or stalking has occurred. These policies outline how and to whom the alleged offense should be reported, options about the involvement of law enforcement and campus authorities (including notification of the complainant's option to 1) notify proper law enforcement authorities, including on-campus and local police, 2) be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses, and 3) decline to notify such authorities), rights of the complainant and respondent, and institutional responsibilities for orders of protections. Information about existing counseling, health, advocacy, and other services will be provided if services are available. Options for requests for changes to academic, living, transportation, and working situations or other protective measures will be made available to both complainant and respondent as detailed in the Sexual Misconduct Policy. The College will maintain confidentiality for the complainant, respondent, and any other necessary parties as well as keep confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the College to provide the supportive measures. Reports will be added to the crime log and subsequent Annual Security Report, however names will be withheld to maintain confidentiality.

The College's Title IX Sexual Misconduct Policy (<https://stlchristian.edu/student-life/student-services/#TitleIX>) also contains procedures for disciplinary action for cases of alleged sexual harassment, dating violence, domestic violence, sexual assault, and stalking. These policies describe the type of proceeding (including the steps, timeline, decision making process (determination), and how a complaint may be filed), standard of evidence, list of possible sanctions, range of protective measures, and requirements that the proceedings are conducted by trained officials who will include a prompt, fair, and impartial process. The policies also assure that the accuser and accused will have the same opportunities to have others present (including an advisor of the individuals' choosing) in any disciplinary-related meeting. The College will provide in writing simultaneously to both the complainant and respondent a notice of investigation, the results of any disciplinary proceeding conducted by the institution, processes available for appeals, and when findings become final. To aid in the process, it is important also for complainants and respondents to preserve any evidence that may assist in proving that the alleged criminal offense did or did not occur or may be helpful in obtaining a protection order.

L. Sexual Offender Registration

In accordance to the Campus Sex Crimes Prevention Act of 2000, the Clery Act, and the Family Rights and Privacy Act of 1974, the College is providing information for where students and

employees may obtain information regarding registered sex offenders. The Missouri Sex Offenders Registry may be found at:
<http://www.mshp.dps.missouri.gov/MSHPWeb/PatrolDivisions/CRID/SOR/SORPage.html>.

The Campus Sex Crimes Prevention Act requires institutions of higher education to provide a statement advising the campus community where law enforcement information provided by a state concerning registered sex offenders can be obtained.

M. Clery Geography

Criminal and VAWA Offences as well as Arrest and Disciplinary Referrals are reported under four Clery geographic locations. For reference, “On-Campus Property” is the main campus found at 1360 Grandview Dr. “On-Campus Student Housing Facilities” refers to residence buildings at 1360 Grandview, including Buildings 5 (Bethany), 6 (Bethesda), 7 (Bethel), and 8 (Berea) as well as the Music Building when needed. “Non-Campus Property” refers to the properties that make up the Prayer Trail as well as the Interstate sign (1540 Grandview, 1550 Grandview, 2091 Dunn Rd., and 2095 Dunn Rd.). “Public Property” refers to Grandview Dr. and Dunn Rd. when directly adjacent to one of the above properties.

N. Missing Persons Policy and Procedures

Resident Assistants are trained to report missing persons to the Residence Director or the Vice President of Student Life. At the beginning of each semester, residence hall meetings are held and all residents are made aware of the policy to report any student missing for more than 24 hours to Resident Assistants, Residence Directors, or the Vice President of Student Life. Any missing student report will be referred immediately to campus security. Law enforcement will be notified within 24 that the student is missing. The College will also notify emergency contacts (if provided) within 24 hours upon a determination that the student is missing. Contact information will kept confidential except to authorized campus officials and law enforcement. The College will also notify within 24 hours a custodian, parent, or guardian for instances of students under 18 years of age who are not emancipated and who are missing.

**ST. LOUIS CHRISTIAN COLLEGE
CAMPUS CRIME REPORT**

The Vice President of Student Life prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The report is prepared in cooperation with the local law enforcement agencies surrounding our campus.

Campus crime, arrest, and referral statistics include those reported to the Vice President of Student Life and local law enforcement agencies. Copies of the report may be obtained in the Office of the Vice President of Student Life (314-837-6777, extension 1125) or the Security Office (314-527-9396), or downloading from the College's website at <https://stchristian.edu/student-life/student-services>.

ST. LOUIS CHRISTIAN COLLEGE ANNUAL FIRE SAFETY REPORT 2020

Introduction

As of October 1, 2010, the Clery Act and the Department's regulations require that all institutions that receive Title IV, HEA funds and maintain an on-campus student housing facility must, by October 1 of each year, prepare, publish and distribute to its current students and employees through appropriate publication and mailings, an Annual Fire Safety Report (AFSR) that contains, at a minimum, all the statistical and policy elements described in the Act. For 2020, the deadline was extended by the Department of Education to December 31.

Availability of Report

The Annual Campus Fire Safety Report is available to prospective students, current students, and employees at the SLCC website: <https://stlchristian.edu/student-life/student-services>. The link provided under the Annual Reporting heading connects to a pdf of the report. Paper copies are available in the Office of the Vice President of Student Life, the Office of Admissions and in the Office of Campus Security. All students and SLCC personnel routinely receive a written notice of the availability of the online address for the report, with a brief description of its contents. According to school policy, all incoming students, as well as prospective employees, are provided with the same written notice.

Policies Relating to Campus Fire Safety

Every residence hall has a kitchen, equipped with cooking ranges, ovens, microwave ovens, refrigerators, and fire extinguishers. Students are not permitted to have hot plates or microwave ovens over 700 watts in their rooms.

Ironing is to be done in authorized areas. Irons are to be unplugged when not in use.

Space heaters are not permitted in resident rooms.

Smoking or tobacco use is not permitted on campus.

Open flames, including candles, are not permitted on campus.

Residents may not possess or store firearms, ammunition, fireworks, or explosives on College property.

Smoke and fire protection devices are not to be moved or removed except by an authorized official of the College.

Fire Safety Training

Resident Directors are to conduct training for the residents in fire safety and evacuation procedures at the beginning of each academic semester. Training shall include, but not be limited to, fire safety policies, reporting of fire, evacuation plan, exit sign locations, location and use of fire extinguishers, safe meeting places, prohibition of hallway and exit clutter, and alarms for smoke and fire.

Each resident's room has an evacuation plan posted that is specific to the room. A copy of the SLCC Campus Emergency Response and Recovery Plan is available at

<https://stlchristian.edu/student-life/student-services>. Print copies are also available in the Security Office, the Office of the Vice President of Student Life, and in the office of each Residence Director.

Fire Drills

Residence Hall Directors are to conduct a minimum of two fire drills each academic year. These drills are to be supervised and documented by the Office of Security and by the Office of the Vice President of Student Life. These drills are unannounced to the students – one in the fall semester, and one in the spring. Recent drills have resulted in the dorms being evacuated in one minute or less. In 2019 there were two fire drills for each dorm, one in the fall and one in the spring semester.

Safe Areas

In the event of an evacuation of the buildings due to a fire alarm or drill, all persons are to leave the buildings immediately and report to the designated safe area. Supervisors or a responsible person is to take roll of those present and report known absences to the safety or security officer.

BUILDING	SAFE PLACE
Bethesda Residence Hall	Gazebo
Bethany Residence Hall	Gazebo
Berea Residence Hall	Gazebo
Bethel Apartments	Gazebo
Keystone Classroom Building	Presidents Hall
Presidents Hall	Keystone Classroom Building
Music Building	Bethesda Residence Hall Grounds
White House	Bethesda Residence Hall Grounds
Maintenance Shop	Gazebo
Maintenance Garage	Gazebo

Fire Reporting Procedures

When fire is found on campus, students and staff should call 911. Incidents are to be reported to the Residence Director, then to the Security Officer. The Vice President of Student Life, the Vice President of Business and Finance, and the President are also to be informed.

Fire Safety Systems in Residence Halls

Exit Signs – All building exits are clearly marked with exit signs.

Evacuation Plans – Every room has a posted plan of evacuation.

Safety Lights – All buildings and hallways are equipped with battery operated safety lights that activate in the event of a power failure.

Smoke Detectors – All residential rooms, facility hallways and commons areas are equipped with battery operated smoke detectors. Batteries are changed at the beginning of every semester.

Fire Extinguishers – All residential floors have ABC Fire Extinguishers that are inspected annually.

Fire Alarm Pull Stations – Located in Bethesda Residence Hall in the basement, 1st and 2nd floor hallways.

Emergency Notification Stations – There are four stations equipped with blue light call boxes. They are located at the front entrance to the men’s residence hall, at the north entrance to the gymnasium, on the driveway to the student apartments, and at the front entrance to Presidents Hall.

Fire Retardant Materials – The residential buildings are made of brick materials and concrete. All College supplied furnishings in residential rooms and commons areas are made of fire retardant materials. Apartments are separated by fire resistant walls, flooring, and roofing materials.

Fire Log

The Office of Security is responsible for the daily campus fire log. The fire log contains the date reported, nature of fire, date and time of fire, location, and the name of reporting person. Fires will be recorded in the log within two business days. A log of the most recent 60-day period is available by request with the Office of the Vice President of Student Life during regular college business hours. Logs older than 60 days are available within two business days of a request. The Security Office is also required to submit a copy of the Fire Incidence Report to the Vice President of Student Life.
