

St. Louis Christian College DRUG AND ALCOHOL POLICY

The use or possession of alcohol, tobacco, e-cigarettes, marijuana, or illegal drugs whether on or off campus is prohibited.

In keeping with St. Louis Christian College's sincerely held religious beliefs, along with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989, no use of alcohol, tobacco, e-cigarettes, marijuana, or any controlled or unlawful substance is allowed on the campus of Saint Louis Christian College at any time.

To manufacture, distribute, dispense, possess, or use alcohol, tobacco, e-cigarettes, marijuana, or a controlled substance unlawfully or to possess alcohol on any campus property or at any college-sponsored event is grounds for disciplinary action. Excessive alcohol consumption or use of illicit substances impairs the user's ability to function, changes the user's behavior, and subjects the user to serious health risks, including disease, addiction, and even death.

Confidential information regarding drug and alcohol counseling and rehabilitation is available through the office of the Vice President of Student Life. SLCC is committed to the safety and well-being of all members of the College community. It is expected that all students comply with these regulations as a condition of remaining in school.

If a student violates this policy, he or she may be subject to immediate disciplinary action, up to and including permanent dismissal. In addition, the student may be reported to the appropriate civil officials for prosecution under state or national laws, which may include fines and/or imprisonment.
